## Product description

- A table lamp imitating a candle is modern and functional lighting, perfect for modern interiors. The rechargeable feature makes it convenient to use, eliminating the need to constantly replace batteries or search for an outlet. Its designer appearance, in champagne gold and amber glass, adds elegance and style to any room.
- The motion dimming function allows you to adjust the light intensity to your individual needs, creating the right atmosphere in the bedroom, living room, office or other spaces. The solid glass construction ensures the durability and stability of the lamp, while emphasizing the high quality of workmanship. An additional advantage is easy charging using the included USB Type-C cable, which makes it a practical and convenient solution for everyday use.
