Product description

• The V-TAC hanging lamp in a modern style has a 3-year warranty and was designed with elegant, contemporary interiors in mind. The lampshade made of fabric and metal gives the fixture a light, decorative character and an aesthetic matte black finish. The lamp is equipped with an E27 base that allows quick installation and selection of the appropriate bulb. The maximum power of the light source is 60W. Adjustable height up to 1.5 meters allows you to adjust the lamp to the layout of the room, regardless of whether it is a home or commercial space. The lamp is intended for indoor use and is ideal for hotels, restaurants, living rooms, residential and decorative spaces. Solid workmanship guarantees a long life and reliable everyday use.
