Product description

• The V-TAC hanging lamp in a modern style has a 3 year warranty and was designed for contemporary residential and commercial interiors. The body made of metal and aluminum is durable, resistant to everyday use and finished in an elegant matte black color. The lamp uses a standard GU10 base, which allows easy installation and selection of the appropriate light source. Adjustable height up to 1.5 meters allows you to adapt the lamp to various space arrangements. The product is intended for internal use and is ideal for hotels, restaurants, salons, residential and commercial spaces. The combination of minimalist design and durable materials ensures a long life and an aesthetic complement to modern interiors.
