TECHNICAL SPECIFICATION

Power	10W	IP rating	IP20
Luminous flux (lm)	1200 lm	On/Off cycles	>15000
Light color	Warm white	Size	160x120x440mm
Color temperature	3000K	Product weight	2,45
Beam angle	280°	Volume	0,021366
SKU	SKU 24130	Pack length	495mm
EAN barcode	3800170254114	Pack width	220mm
Product code	VT-89022	Pack height	175mm
Energy class	E	Master carton	4
Base	Integrated LED fixture	Brand	V-TAC
Lifetime	20000h	Warranty	2y
Input voltage	AC:220-240V, 50Hz	Efficacy (lm/W)	120 lm/W
CRI	80+	ETIM	EC001743
Material	Metal, acrylic	CN code	8539 51 00
Housing color	White	EPREL	2435107
Dimming	NIE

Product description

• The V-TAC table lamp was designed as a modern element of decorative lighting for bedrooms, living rooms and office spaces. A minimalist white lampshade combined with an arm and base in a brushed nickel finish creates an elegant and visually light form. The structure made of ceramics, metal and acrylic ensures durability and aesthetic appearance in everyday use. The built-in LED module with a power of 10W generates 1200 lumens and emits warm light with a color of 3000K. A wide lighting angle of 280 degrees allows for subtle, even illumination of the space. Thanks to the compact base, the lamp fits perfectly on bedside tables, desks and shelves. It is intended for internal use.
