Product description

- Flexible LED strip for voltage 24V, roll of 5 meters, included with a power supply 24V
- Excellent color rendering index CRI95
- COB technology ensures perfect continuity of light without visible light points
- It is ideal for shallow aluminum profiles and does not create points on the surface of the lampshade/screen
- Sets available in 3000K, 4000K and 6500K colors
- Cutting at points every 6,25cm
